Meet the Founders

Drew Campbell & Alex Baker

Kiff & Culture is a bespoke private tour and events company specialising in curating transformative group experiences across the Gold Coast, Brisbane & Byron Bay.

Booking a tour with us means getting VIP access and up-close with beloved Australian wildlife; exploring stunning Gondwana rainforests; learning about Indigenous culture; and indulging in world-renowned cuisine with exclusive dining experiences.

Born in South Africa and raised in Southeast Queensland, Drew honed his craft for curating original and enriching experiences after moving to Cape Town following university, where he founded the award-winning Kiff Kombi Tours in 2016.

Drew moved back to Australia in 2021 and teamed up with his friend Alex to co-found Kiff & Culture. Alex's background in digital marketing and extensive experience as a concierge in 5-star boutique hotels and hospitality venues provided the perfect blend to form the foundation of Kiff & Culture and to facilitate the unique experiences the company offers.
