# Kiff & Culture

CORPORATE EVENTS & EXPERIENCES

## OUR FOUNDERS → DREW CAMPBELL & ALEX BAKER

Kiff & Culture turns the ordinary into extraordinary with immersive culinary and wine experiences across the Gold Coast, Brisbane, and Byron Bay. Led by local chefs and sommeliers, you'll enjoy Chef's Table dining, alfresco meals in the mountains, and art-inspired feasts.

Founded by Drew, an award-winning tour operator, and Alex, a digital marketing and hospitality expert, Kiff & Culture goes beyond tours, creating unforgettable moments that showcase the charm of our region.
